MEMORANDUM FOR: Director of Intelligence,
United States Air Force

SUBJECT: Policy and Procedures for Overseas
Handling, Processing and Reporting
on Photographic Results of AQUATONE
Operations Far East (URPIC-2).

It is my understanding that the attached statement of policy and procedures is satisfactory to the Air Force as well as to the Army and Navy and the offices of this Agency. I approve this document for planning purposes. However, the activation of URPIC-2 should await the initiation of AQUATONE operations in the Far East at which time, in consultation with the participating agencies, a decision will be made explicitly for field processing as required.

Lieutenant General, USAF
